

MOLESEY HEAD COURSE LAYOUT

17TH NOVEMBER 2018

White line shows course crews must take from the marshalling positions along the Surrey bank up and clockwise around the start buoy to the start through to the finish and continue back to the boating area at MBC. Crews must travel past MBC and turn upstream before returning to landing stage along the Surrey bank.

When rowing upstream crews must stick to the Middlesex side of Platt's Eyt (Thornycroft island).

Red hatched areas are not to be used by crews at any time.

See detailed layout for arrangements at the start of the course.
