

# MOLESEY HEAD COURSE LAYOUT

FEBRUARY 2025

Red line shows course crews must take from the marshalling positions along the Middlesex bank up and anti-clockwise around the start buoy to the start through to the finish and continue back to the boating area at MBC. Returning Crews must travel past MBC and turn upstream before returning to landing stage along the Surrey bank.

When rowing upstream crews must stick to the Middlesex side of Platt's Eyot (Thorneycroft island).

Red hatched areas are not to be used by crews at any time.

\* Crews will marshall on the Middlesex Bank, unless changed and notified before the day
